## SHOW RULES

- The Show is sanctioned by the American Camellia Society (ACS) and will be conducted in accordance with the latest revision of **"Rules and Regulations" "Governing Procedures and Judging of ACS Cooperative Shows"**. The Show Chairman may establish such further rules as deemed necessary for the proper conduct of the show. In all cases, the decision of the judges will be final.
- Entries will be received **8:00 AM to 10:30 AM March 7, 2015**.
- Standard Entry Cards** will be used, and should include the **name of the variety, bloom size circled, and class entered**.
- Any individual grower may exhibit. Entries must be from plants owned by and in the possession of the exhibitors for at least 30 days.** Exhibitor does not have to be a member of a camellia society/club or garden club.
- Entries must have only one bloom to a stem, and **at least one but not more than two leaves**, but not necessarily attached. Wiring of blooms is permissible.
- The ACS recognizes the **"Camellia Nomenclature"** published by the Southern California Camellia Society as THE nomenclature publication.
- No bloom can compete in more than one class and may win only one award.
- Unprotected blooms are defined as those grown in natural surroundings without any **man-made** protection from the elements of nature.
- The Show Chairman or Representative reserves the right to **reject or discard Flowers** that are obviously inferior in quality.
- If only one bloom of a variety is entered, it shall constitute a class, and shall be judged accordingly.
- To help control the spread of disease, all blooms and associated scions (wood that is attached to the bloom) become **the property of the Southeast Alabama Camellia Society**.
- Awards in any division or class may be **withheld**, if, in the opinion of the judges, no flower deserves the award.
- Classification as to size will be in accord with the latest edition of **"Camellia Nomenclature"**. Where a bloom is classified to include two sizes, the smaller size shall determine the award class with the exception of miniatures. Blooms must be classified as **miniature only**, not miniature too small, to compete in the **Miniature Class**.
- Blooms will be displayed in containers provided or equivalent to those provided.
- The use of **collars** for supporting large blooms is permitted.
- No distinction shall be made by the judges between **chemically treated and non-treated blooms**.
- The Southeast Alabama Camellia Society, its officers and members, are not under any circumstances responsible for the loss or damage to flowers or other property or for the injury to persons. Care will be exercised for protection of all property used, but this shall not be interpreted as an assumption of liability.
