

### **SHOW RULES**

1. The Show is sanctioned by The American Camellia Society and will be conducted in accordance with the latest revision of "Rules and Regulations Governing Procedures and Judging of ACS Cooperative Shows". The Show Chairperson may establish such further rules as deemed necessary for the proper conduct of the Show. In all cases, the decision of the judges will be final.
2. Entries (open to all growers) will be accepted from 7:00 until 10:30 A.M. on Saturday, February 25, 2017.
3. Standard Entry Cards must be used. The name of the variety, the bloom size and the class must be indicated. The card color shall be per the show schedule.
4. Any individual may exhibit. Entries must be from plants owned by and in the possession of exhibitor for at least 30 days. Exhibitor does not have to be a member of a camellia society.
5. Entries must have only one bloom to a stem, and at least one but not more than two leaves but not necessarily attached. Wiring of blooms is permissible. Use of collars is permissible. There is no limit on the total number of blooms that an exhibitor may enter. However, no more than three single entries of a variety may be submitted.
6. The authority for Classification and sizing shall be the latest edition of the Southern California Camellia Nomenclature, the Historical Edition, and the A.C.S. supplements. "The International Camellia Registry" may be used if documentation is provided by the exhibitor that acceptable to the Head Judge.
7. No bloom can compete in more than one class and may win only one award.
8. Unprotected blooms are defined as those grown in natural surroundings without any man made protection from the elements.
9. The Show Chairperson or representative reserves the right to reject or discard flowers that are obviously inferior in quality.
10. If only one bloom of a variety is entered, it shall constitute a class, and shall be judged accordingly.
11. All blooms and associated scions (wood that is attached to the bloom) become the property of the Middle Georgia Camellia Society.
12. Awards in any division may be withheld if, in the opinion of the judges, no flower deserves the award.
13. Classification as to size will be in accordance with the latest edition of "Camellia Nomenclature". Where a bloom is classified to include two sizes, the smaller size shall determine the award class with the exception of miniatures. Blooms must be classified as miniature only, not miniature to small to compete in the Miniature Class.
14. A novice is defined as an individual who has never won a "Head Table Award" at an ACS Camellia Show.
15. Blooms will be displayed in containers provided or equivalent to those provided but may not be visually "enhanced" by placing blooms on a bed of polyfil, cotton, moss, or similar products.
16. Judges must disqualify themselves while their blooms are being judged.
17. No distinction shall be made by the judges between chemically treated and non-treated blooms.
18. The Middle Georgia Camellia Society, its officers and members, are not under any circumstances responsible for the loss or damage to flowers or other property or for the injury to persons. Care will be exercised for the protection of all property used, but this shall not be interpreted as an assumption of liability.
