## SHOW REGULATIONS

Entries (open to all growers) will be received from 8:00 a.m. until 10:30 a.m. on Saturday morning.

All blooms entered must be grown by the exhibitor who must have the plant in his possession at least 30 days prior to the show. All exhibitors are urged to use proper entry cards and to circle correct sizes of blooms. When a bloom is classified to include two sizes (e.g. Small to Medium) the smaller size shall be accepted as the proper size. Miniature must be stated as miniature only.

All blooms with multiple names must be exhibited under the name accepted by the Southern California Society's Nomenclature Book.

A classification table will be available to assist exhibitors. Blooms entered under improper names not corrected before judging will be disqualified.

Exhibitors are urged to use the classification table.

Judges are invited and urged to bring blooms for competition but will disqualify themselves while their blooms are being judged.

During the judging, only judges, clerks, authorized persons will be permitted in the show area.

Novice class is open to exhibitors who have not won more than three novice awards at the head table of any camellia show. Only blooms grown outside and unprotected may be entered in this class.

No awards or ribbons will be given unless the exhibits are sufficiently meritorious and up to standard. The Show Committee reserves the right to interpret the rules and to make further rules for the proper conduct of the show.

A bloom can only receive only one trophy. The Show Committee will provide as much protection as possible but will not assume any responsibility for the loss or damage to any personal property, regardless of the cause.
