Feature	Cultivars	Seedlings
Form	25	20
Color & Marking	25	20
Condition	25	-
Size	25	-
Foliage	-	10
Distinctiveness	-	50

SHOW REGULATIONS

1. The Baton Rouge Camellia Society Show is held in cooperation with the American Camellia Society and the Rules and Regulations Governing Procedures and Judging of the American Camellia Society will apply. All exhibitors are welcome and all blossoms entered by amateurs in accordance with these rules are eligible for competition. No entry fee is required.
2. Entries will be accepted between the hours of 7:30 a.m. and 10:30 a.m. on the Saturday of the show date. American Camellia Society entry cards will be used and may be obtained from the show chairman in advance and during registration. Except for exhibitor’s number, each entry card must be filled out completely, using standardized names, sizes, and if retic or non-retic as described in the Southern California Camellia Society’s Camellia Nomenclature. Each specimen and each tray must bear the proper entry card - white for flowers grown in open and green for flowers grown protected. The Placement Committee reserves the right to refuse placement of any blooms not complying with these rules.
3. All blooms must have been grown by the exhibitor who must have had the plants in his possession for at least 30 days prior to the show.
4. Exhibitors may enter up to three blooms of each variety in specimen classes and one tray of each variety. Any number of seedlings and mutants may be entered. One or two leaves, not necessarily attached, must be exhibited with each bloom.
5. A bloom can receive only one trophy.
6. Judges may enter blooms for competition but will not judge their own entries
7. When a range in size is given in the nomenclature, use the smaller size given for entry. (e.g. “Min-small” should be entered as miniature.
8. Historical entries are those recorded prior to 1900 as listed in the SCCS nomenclature and supplement. If there is no reference in the SCCS, the name of the variety, date and description in the ICS Register should be used..
9. Grown Protected: Blooms grown indoors in movable containers or in permanently planted that are protected from the weather by an enclosed structure, which may or may not have an active humidity or temperature control.
Grown Protected: Blooms grown outdoors, in pots or planted permanently in virgin soil or enhanced soil, with no protection from the weather except for natural barriers such as trees, shrubs, or structures that are part of the estate, i.e. house, barn, fence, etc. A slat structure or shade structure is permitted.

SIZES

Min. = 2 ½ ” or less; Small = 2 ½ to 3; Med. = 3 to 4;
Large = 4 to 5; Very Large = over 5”
