Cash Prices will be awarded

Runner-up Blooms will constitute the Honor Court.

SPECIAL THANKS

To our judges and the many volunteers of the Camellia Society of Central Florida, Mead Botanical Garden, the Winter Park Garden Club, the Florida Federation of Garden Clubs, and Robert Bowden, for all their hard work to produce this beautiful show.

EXHIBITION RULES

- The rules for judging adopted by the Camellia Society of Central Florida shall be used.
- Competition shall be opened to all exhibitors: amateur or professional.
- Flowers entered must be from plants owned by the exhibitor for at least 30 days prior to the opening of the show.
- Unprotected blooms are those from plants bloomed in natural surroundings or in a slat or shade house which provides shade but does not provide protection from the elements of nature such as temperature, precipitation, etc.
- All entries shall be attached to their own stems, no more than 2" long, with 0 to 2 leaves either attached or placed with the entered bloom.
- All entries in Division I, II and III shall be marked as to flower size (small, medium, or large-very large) as noted in the SCCS nomenclature with the smaller size listed being the determining factor in case of two sizes listed. An exception to this are the miniatures, where if listed as miniature-to-small, will be classified as a small.
- Entries shall be accepted from 7 to 10 AM on the morning of the show. All entries become the property of the Camellia Society of Central Florida and will be destroyed at the end of the show to prevent the spread of the petal blight.
- Entry cards will be furnished at the show and must be filled out in accordance with the Horticultural Schedule.
- Containers will be furnished for all entries.
- Awards will be delivered to the winners by the Show Committee.
- Decisions regarding classification and placement will be done by the Placement Committee. Any bloom considered not of show quality may be discarded at the discretion of the Show Committee.
- Decision of the Judges shall be final.
- A treated entry is one that has been chemically treated with a substance to induce early or enhanced bloom.
- A novice is an exhibitor who has never won an award in any show. This includes having previously won a novice award.
- An award may be withheld if there is not a blue ribbon entry for that award.
- No bloom can compete in more than one class and may win only one award.
- All entries must be marked whether treated or untreated to be eligible for Best Bloom Unprotected awards.
- Best Local Bloom: must be a member of the Camellia Society of Central Florida and the bloom may not be entered in any other Division.
- Jerry Conrad Heritage Bloom Award: bloom must be of a variety

Invitation to Join!

We invite you to join the Camellia Society of Central Florida (CSCF).

We meet monthly at Morning Star School on the first Thursday of each month from September through April at 7:00 PM.

Dues are \$20 for the CSCF. We have an educational program each month, as well as fellowship discussing our favorite flower, the Camellia.

See one of our members at the Membership Table and join us in celebrating this beautiful flower.

Many Thanks to our Award Sponsors!
