Show Chairman: Al LeFebvre, Steven Manis

Awards: Ann Miller

Clerks: Andrea Kannegieser

Plant Sales: William Lange

Publicity: Jana Harry

1. The show is held in cooperation with the American Camellia Society (ACS). The rules and regulations concerning the procedures and judging of ACS shows will apply. The decision of the judges will be final.
2. The show is open to any camellia grower. Exhibitors may place their own blooms. There will be no scoring distinction between treated and non-treated blooms. Exhibitors need not be a member of a camellia society.
3. The authority for bloom classification will be the current edition of *Camellia Nomenclature*, *Camellia Nomenclature Supplement* and recent *ACS Journals* (for the cultivars not yet included in *Camellia Nomenclature*). Species *hiemalis* and *vernalis* entries are to be entered as non-retic hybrids. (Camellia 2009 nomenclature pages 131 and 169). Cultivars with multiple names will be entered under the preferred name in camellia nomenclature.
4. ACS entry cards for classifying blooms will be available at the show. Use white cards for unprotected, green cards for protected blooms.
5. When a camellia cultivar is listed in two sizes (e.g. "small to medium") it will be judged in the smaller size category, except in miniature bloom entries must be in fact be 2 1/2 inches in diameter or less.
6. Mississippi Gulf Coast grown (Division C) entries are limited to "novices" (growers with under three camellia show awards) Bloom entries should be submitted with the buff colored entry cards and marked "MS Gulf Coast" across the top. This division is designed to encourage local camellia growers to exhibit blooms without competing in the open class.
7. Each entry is eligible for only one award.
8. Only judges and authorized persons will be permitted in the exhibition area during judging of the blooms. Judges may refuse to award a ribbon to a given variety or class if they deem the entries to be below show quality. All accredited judges will judge seedlings and mutations.
9. All blooms become the property of the Mississippi Gulf Coast Camellia Society and will be disposed of by the show committee.
10. Entries will be received from 8:00 am until 10:00 am. No entries for competition will be accepted after 10:30 am. Judging will begin at 10:00. The show will be open to the public at 12:00 pm on Saturday.

Thanks to the judges
