## **President's Message**

### **By Clayton Mathis**

A very successful camellia season has ended. Outdoor growers in our area experienced problems with weather early, but ended with late season success.

The National ACS convention held in Tallahassee was a great success! Attending were representatives from different regions and countries. The Keynote speaker, Dr. John Wang from California, was amazed at how well his camellia varieties were doing in the southeast. Dr. Wang's varieties have some japonica parentage and have been relatively easy to root. Tommy Alden, Gene Phillips, and I have rooted the varieties of Miao Jie, Seng Jie, and Suzhou Embroidery. Randolph Maphis and others have had a high success rate in grafting these varieties. Dr Wang continues to develop new varieties. We look forward to seeing his blooms on the Head Table at camellia shows.

We've seen an improvement in the overall quality of camellia shows. Some reasons for this may be new bloom varieties, optimal placement in containers, increased knowledge by placement workers and clerks, overall general education, and growers sharing information with other growers.

The Fall ACCS convention will be held in Litchfield Beach, SC on September 18 and 19, 2015. Please plan to attend and enjoy the workshops, our speakers, and social activities. ACCS has a long history of great conventions, no politics or egos, just flowers, fellowship, and good food!

**George William (Bill) Supplee**

Camden, SC

7/9/1924 – 10/30/2014

Bill and his wife Joyce received the first “Person of The Year Award” from the Mid Carolina Camellia Society where Bill had served in many offices, including President. Bill served in the Navy during World War II as a musician and a machine gunner. He had a long career as Director of Music and Director of the Ambassador Choir at Columbia Bible College (now Columbia International University). Referring to his career Bill said, “My passion is for people to worship the Lord in their own verbal and musical language. Jesus spoke the language of the people.”

Bill enjoyed camellias to the utmost and shared blooms weekly throughout the blooming season. He preferred the medium, formal and rose form blooms that looked great as corsages not only for his beautiful wife, Joyce, who is seldom without one, but also for his choir members and the persons who just happened to get to church early enough to claim one. Bill is sincerely missed in the camellia world but his work with so many international missionaries will multiply his positive Christian influence forever.

### **Rupert Eugene Drews**

James Island, SC  
12/7/1929 – 11/6/2014

Rupie, as we all knew him was a renowned Lowcountry camellia enthusiast and husband of the late Elizabeth (Betty) Sanders Drews.

Rupie was an avid Gamecock fan, and rightly so because he was a star track and football athlete at the University of South Carolina. Rupie had a career in Charleston area high schools and served in many capacities: Area Superintendent, Principal, Athletic Director and Football Coach; and was the first to bring soccer and wrestling to high schools in South Carolina.

Rupie had a beautiful yard on James Island. He just had to keep up with growing the latest, “hot” show varieties and was an ultimate show competitor. Growers far and wide knew they could call on Rupie when they wanted a “hot” scion for grafting. Now getting to that specific plant in his yard could take time because his plants were so close together you sometimes had to take an alternate route.

Rupie found time to hybridize and name (mostly after family members). His most famous variety is “Georgia National Fair,” the best of which at each annual Georgia National Fair receives a wooden clock with a carved camellia bloom and a hundred dollars. Rupie had an impact on sports in the low country of South Carolina with records and personal recognition that will be remembered forever.
