No. 2

President's Message By Patrick Andrews

This time of year brings camellia growers some rest, although the work is never done. The almost weekly travel to exhibit camellia flowers in nearby (and some not-so-nearby) cities is over. Now the tasks are to fertilize, prune, and water during dry periods. "Dry" seems to be the operative word in the southeast, at least in the Deep South. Let's hope the summer rains come soon and are plentiful.

The officers and board of directors met for the spring board meeting on Saturday, April 22, 2017, at the Garden Club Council of Greater Columbia Building in Columbia, SC. I want to thank the Mid-Carolina Camellia Society for inviting us to meet in conjunction with their annual picnic and auction. The food was fantastic, and it was great to see old friends, get reacquainted with newer friends, and make new friends. I hope to see the Mid-Carolina Camellia Society members at the upcoming ACCS meeting in September at Litchfield Beach!

Clarissa Nielsen informed us that she was unable to fulfill the duties of the office of secretary to her satisfaction so she resigned effective immediately. We are sorry to lose Clarissa as secretary. She has done an outstanding job these past few years, and we appreciate all of her efforts. She has been a real asset to ACCS. Clarissa said that she will continue to participate in ACCS, and we look forward to seeing her at upcoming conventions.

So that the board can continue without issue, the board elected Carol Selph to the office of secretary of the ACCS. Carol brings a wealth of knowledge and talent to the ACCS board, and we welcome her with open arms!

As in my last President's message, and because I'm chairman of the Membership Committee, I would like to remind you to talk about camellias and about your local club, the American Camellia Society, and the Atlantic Coast Camellia Society with anyone and everyone you meet, and encourage them to join. So many gardeners don't know about

President's Message—continued from inside front cover

these wonderful organizations and the treasure trove of information the members and publications have about how to grow and enjoy camellias. There's no better place to find suggestions on camellias to add to the garden, and no better group of people to spend time with.

Now we look forward to the ACCS Convention in Litchfield Beach, South Carolina, on September 15 and 16. There is no better camellia get-together in the world! The board voted to change the schedule a little so that none of the sessions will conflict with others. The judges' reaccreditation symposium will be held on Friday this year instead of Saturday, where it conflicted with the educational seminars.

The general schedule will be the ACCS board meeting on Friday morning, followed by the judges' reaccreditation symposium in the afternoon, and then the Welcome Party and Bar-B-Que Dinner on Friday evening. Saturday will begin with Bloody Marys, Screwdrivers and Coffee on the patio, followed by a brief general meeting and the famous (or infamous) auction. The meeting will wrap up with the formal banquet on Saturday night.

I urge you to make your room reservation as soon as you receive the information from Carol Selph. You can also find the room information, as well as a registration form for the convention, on the ACCS web site. (www.atlanticcoastcamellia.society.org).

If any member wants to share information with me to discuss at the September meeting, add agenda items, or has any comments about how to improve our ACCS, please feel free to email me at patrickandrews@att.net. See you in September!
