TO CORRESPONDENTS

THIS LIST CANCELS ALL FORMER PRICES

PRICES MAY CHANGE WITHOUT NOTICE

☐ All orders should be legibly written out on a separate sheet, and not mixed up with the body of the letter, thereby saving me a great deal of trouble, and tending to prevent mistakes.

☐ Articles furnished at the prices named only when numbers specified are taken. Six will be furnished at a dozen rate; fifty at the hundred rate and five hundred at a thousand rate.

☐ To avoid errors, state by which route they wish the plants to be forwarded; otherwise I will send them as I deem best for the purchaser.

☐ All trees and plants are carefully and securely packed in the best manner, for which a small charge is made, sufficient to cover cost of material used. No charge will be made for the delivery of packages to the railroad and steamer or express office. Also, all plants will be delivered free of charge in the City of San Francisco.

☐ All plants which are grown in pots, when ordered to be shipped to a distance, will be removed from the pots and securely balled. If customers desire to have them shipped in pots, I must not be held responsible for the breaking of pots while in transit.

☐ All articles are at the risk of the purchaser after being shipped. I must not be held responsible for any loss or delay that may occur through the negligence of the forwarder.

☐ Orders from unknown correspondents must be accompanied by the cash or satisfactory reference. Orders to be sent C. O. D. must be accompanied by at least one-half the amount in cash; otherwise they will receive no attention.

☐ My customers are requested to notify me immediately of any error that may be committed in filling their order, so that the same may be rectified, as I desire to give satisfactory dealing to all who favor me with their orders.

NOVEMBER, 1910

CATALOGUE AND PRICE LIST FALL 1910 AND SPRING 1911

AZALEA INDICA

My importation of Azaleas of 1910 comprises the most handsome and free blooming varieties. They are grown on short, straight stems, have close crowns and are well set with flower buds.

Plants 10 to 12 inch crown.....	75 cents each
“ 12 to 13 “ “	\$1.00 each
“ 13 to 14 “ “	\$1.25 each
“ 15-inch crowns and over.....	1.50 to 4.00 each

AZALEA MOLLIS

A perfectly hardy class of Azaleas, which is extensively used for outdoor planting; it can also be forced to bloom in winter months. The color of the large, well-formed flower which it produces abundantly, are from the palest yellow to deep orange and salmon-rose of a peculiar shade, and very fragrant. Plants grow best in partial shade.

Azalea Mollis, fine well-grown plants.

10 to 15 flower buds.....	60 cents each
15 to 20 “ “	85 cents each
20 to 30 “ “	\$1.00 to \$5.00 each

CAMELLIAS

Camellias are acknowledged to be the finest winter-flowering shrub in cultivation. They will grow freely in any fairly good garden soil, and require but little attention after the first year of planting. They must not be allowed to become too dry until they are well established. The plants I offer are perfectly healthy, well rooted, and three or four years from the graft. They are raised in my own nursery in the open air.

Plants 20 in. to 2 ft. high, with flower buds.....	75 cents each
Plants without buds.....	65 cents each
Larger plants with flower buds.....	from \$1.00 upwards

Alba Pleno—Pure white; considered the very best. \$1.00 each.

Bianco Gillardini—Fine pink.

Camille Brozzoni—Carmine with white

Chandlerii. Elegans—Bright rose, sometimes spotted white. \$1.00 ea.

Countess Lavinia Maggi—Bright scarlet striped white; sometimes all scarlet.

Duchess de Berry—White.

Duchess of Orleans—White striped and flaked carmine.

Gutheriana—Deep carmine.

Le Constitution—Dark crimson.

Lemichezi—Bright red.

Mad. Campbell—Dark red.

Marguerite de Savoya—Bright rose striped white.

Mathotiana Alba—Pure white. \$1 ea.

Ninfro del Tebro—Satin rose.

Paulina Lucca—Pure white.

Pink Perfection—Fine shell pink.

Principe Cancio—Cream white.

Roi Leopold—Rose striped white.

Therchia Franchini—

Tricolor Mathotiana—Pink striped carmosin.

Valtevedo—Crimson.

EPACRIS

A pretty health-like shrubby plant, growing 3 to 4 feet high, and of a spreading habit. The flowers are tuberlike and are produced nearly the whole year in great masses. The color is bright red, with a white margin, and 1 to 1½ inches long.

Epacris Elegantisima , 4 inch pots.....	Each \$0.75
--	-------------

RHODODENDRONS

		Each
Plants, well formed, with 4 to 6 flower buds.....	\$1.00	
“ “ “ 6 to 8 “	1.50	
“ “ “ 8 to 12 “	2.00	
“ “ “ 12 to 15 “	2.50	
“ “ “ 16 to 20 “	3.00	
Larger plants, with 25 to 50 flower buds.....	from \$3.00 to 7.50	
Plants without flower buds, from 50 to 75 cents.		
Boule de Nieve —Pure white.	Mad. Masson —White with yellow spots.	
Caracactus —Dark crimson.	Everestianum —Lilac pink.	
Lady Armstrong —Crimson.		

CLEMATIS

Beautiful climbers, with very large and showy flowers, which are produced in great abundance during the Spring and Summer months.

	Each	Doz.
Clematis Bangholm Belle—Pure white, very large.....	\$0.75	\$8.00
“ Henryii—Cream white; extra	75	8.00
“ Jackmanii—The finest of all Clematis; produces its large deep purple blue flower abundantly from June until November; the most popular variety; strong plants.....	75	8.00
“ Mad. E. Andre—Deep red; a new color in Clematis; flower very large.....	75	8.00
“ Romona—Fine lavender blue; large, well formed flowers	75	8.00
“ Montana—This variety has smaller flowers, which are pure white and produces abundantly in April and May; this is a rampant climber.....	50	5.00

“ Flammula—Small, sweet-scented; flowers produce freely from July until late in fall.....	40	4.30

PAEONIA MOUTAN (The Tree Paeonia)

This beautiful plant is very little known here on the Pacific Coast. It is perfectly hardy and succeeds in any good garden soil, best in partial shade. The flowers are very large and measure from 10 to 12 inches across. Price, 75 cents to \$1.25 each.

ERICAS

Erica (Cape Heath). This extremely beautiful plant may be grown in almost any fairly good garden soil, but it prefers a good, moist sandy soil in a cool and sheltered location. The Ericas bloom very abundantly and are literally covered with flowers. I cultivate the following varieties:

	Each	Doz.
Blanda —Pink, 5-inch pots, 18 to 24 inches	\$0.40	\$4.00
Capitata —White blossoms, robust grower, 4-in. pots, 12 inches	30	3.00

Eleagnus japonica aurea variegata . Yel- low variegated leaves.....	" 1½—2 ft.	50		
" reflexa. This variety is near- ly white, variegated.....	balled 1 ft.	50		
" argentina . White silvery foli- age	" 2½—3 ft.	50		
Ericas . (See page 4.)				

ESCALLONIA

Very useful evergreen shrubs; free flowering, with dark green foliage; these are of easy culture and rapid growers.

Escallonia berteriana alba (white) in pots	2½—3 ft.	40	4.00	
" rosea (pink).....	" 3—4 ft.	35	3.50	35.00
" rubra (red).....	" 1½—2 ft.	35	3.50	
Eucalyptus globulus (Blue Gum).....	" 3—4 ft.	30	3.00	
" Rostrata	" 3—4 ft.	25		
" Viminalis (Red Gum).....	" 2—3 ft.	25	2.50	
" in boxes transplanted. (See page 29.)				

EUGENIA

Hardy evergreen shrubs or trees, with white or creamy flowers and very glossy foliage; habits like a Myrtle but of stronger growth; makes a good hedge plant.

Eugenia Australis	in pots 1—2 ft.	30	3.00	
" Ugni	" 2—2½ ft.	40	4.00	

EVONYMUS

A very useful and hardy shrub with golden and white variegated foliage

Evonymus japonica Duc d'Anjon ..	in pots 2—3 ft.	35	3.50	
---	-----------------	----	------	--

	Size	Each	Doz.	100
<i>Evonymus japonica ovata aurea</i> ... balled	2 ft.	\$0.25	\$2.50	
“ “ “ “ “	3 ft.	35	3.50	
“ “ <i>albamarmorata</i> “	1½ ft.	25	2.50	
“ “ <i>variegata</i> “	1½ ft.	25	2.50	
<i>Fabiana imbricata</i> . Very hardy, producing white heather-like flowers... in pots	1½ ft.	25	2.50	

FICUS (Rubber Tree)

The well known India Rubber tree; one of the very best plants for table or parlor decoration; its thick, leathery leaves enable it to stand excessive heat and dryness; also hardy out of doors in most parts of California.

<i>Ficus Australis</i> in pots	3—4 ft.	1.50		
“ <i>Elastica</i>	1 ft.	50	5.00	
“ “	1—1½ ft.	60	6.00	
“ “	1½—2 ft.	75	8.00	
“ <i>Macrophylla</i>	1—1½ ft.	30	3.00	25.00
“ “	1½—2 ft.	40	4.00	
“ “	2—3 ft.	75	5.00	
“ <i>Pumelia</i> . (See Climbers, p. 26.)				
“ <i>Repens</i> . (See Climbers, p. 26.)				
<i>Foucroya Lindenii variegata</i> in pots	1½ ft.	1.00		
“ <i>Beddinghausia</i> (<i>Yucca Glauca</i>)	1½ ft.	50		
<i>Fuchsia</i> . Named varieties. (See Hardy Flowering Plants, page 28.)				
<i>Gardenia Camelliaeflora</i> (Cape Jasmine). Hardy evergreens with highly perfumed flowers.....	1½—2 ft.	75		
<i>Garrya Eliptica</i> . Ornamental evergreen shrub.....	2 ft.	60		

GREVILLEA

Australian Silk Oak. Fine ornamental trees with handsome foliage and very attractive flowers.

<i>Grevillea Robusta</i> in pots	2—3 ft.	30	3.00	23.00
“ “	3—4 ft.	50	4.50	36.00
“ “	4—5 ft.	60	6.00	45.00
“ “	5—6 ft.	1.00		
“ <i>Thelemanii</i>	2½ ft.	60		
<i>Guava</i> . The well known Strawberry Guava	2—3 ft.	40		
<i>Habrothamus elegans</i> . Bright red....	3—4 ft.	30	3.00	
“ <i>fasciculatus</i> . Scarlet flowering	3—4 ft.	30		
<i>Honeysuckle</i> . (See Climbers, p. 26.)				
<i>Huckleberry</i> . (See <i>Vaccinum</i> , p. 16.)				
<i>Hibiscus sinensis</i> . Among the finest of our flowering shrubs; hardy in Southern California.....	1½—2 ft.	35		

HYDRANGEAS

	Size	Each	Doz.	100
Very strong growing plants, having bold, dark green foliage and immensely large pink flowers; these should have a place in every garden.				
Hydrangea hortensis	balled 1—1½ ft.	\$0.30	\$3.00	\$35.00
“ “	“ 1½—2 ft.	50	4.00	40.00
“ “	“ 2—3 ft.	75		
“ Rosea	“ 1—1½ ft.	30		
“ Thos. Hoag	“ 1—1½ ft.	35		
“ Paniculata . (See Deciduous Trees and Shrubs, page 21.)				

HYPERICUM (St. John's Wort)

A beautiful shrub, growing about three feet, and late in summer is covered with deep yellow flowers.

Hypericum Mosserianum	in pots 1—1½ ft.	25		
------------------------------------	------------------	----	--	--

ILEX (Holly)

Ilex aquifolia (English Holly)....	balled 1½—2 ft.	1.25		
“ “ “ “	“ 2—3 ft.	2.50		
“ “ variegata varieties.	“ 2 ft.	1.50		

Ivy. (See Climbers, page 26.)
 Jasmine. (See Climbers, page 26.)

LAURUS

Laurus Carolina	in pots 2—2½ ft.	50		
“ cerassus (English Laurel) balled	3—4 ft.	1.50		
“ “ “ “	“ 1½—2 ft.	50		
“ “ Latifolia	“ 1½—2 ft.	50		
“ Camphor (Camphor Tree) in pots	2—3 ft.	40		
“ Canariensis (Port. Laurel) balled	2 ft.	50	5.00	
“ Elliptica	“ 1½—2 ft.	40		
“ Nobilis (Sweet Bay).....	“ 3 ft.	75		

LAURUSTINUS.

A pretty evergreen growing in bush form about 10 ft. high, with dark green foliage and large, pure white flowers, excellent shrubs for hedge or single trees.

Laurustinus	balled 1—1½ ft.	25	2.80	24.00
“ “	“ 2—2½ ft.	40	4.00	30.00
“ “	“ 1½—2 ft.	30	3.00	
“ “	in pots 1½—2 ft.	35		
“ grandiflora	“ 1—1½ ft.	30	3.00	
“ rotundifolia	balled 1—2 ft.	30	3.00	
“ variegata	“ 1½—2 ft.	35	3.50	

LEPTOSPERMUM.

This is a beautiful shrub with a great number of small white flowers; very hardy and fine for hedge.

Leptospermum Laevigata	in pots 2—3 ft.	30	2.50	20.00
“ Scoporum	“ 2—3 ft.	30	2.50	20.00

LIGUSTRUM (Privet)

		Size	Each	Doz.	100
Ligustrum	Californica (The Cal Privet)	balled 2—3 ft.	\$0.20	\$2.00	\$15.00
“	japonica (Japanese Privet)	“ 2—2½ ft.	35	3.50	
“	ovata (Evergreen Privet)	in pots 2½—3 ft.	50	5.00	
“	vulgaris. (The common privet used for hedges)	balled 2—3 ft.	20	2.00	
“	vulgaris variegata aurea (Golden Privet)..	“ 2—3 ft.	40		
Loquat.	An excellent decorative plant with very large foliage.....	“ 5—6 ft.	2.50		

MAGNOLIA

Magnolia	Grandiflora. Persistent large thick, glossy leaves; large, white, fragrant flowers	balled 1½—2 ft.	75	6.50	
“	Grandiflora	“ 2—3 ft.	1.00		
“	“	“ 3—4 ft.	1.25	10.00	
“	“ grafted	in pots 2½—3 ft.	1.25	10.00	
“	Exoniensis. A variety of M. Grandiflora, with sometimes double flowers; fragrant....	“ 2½—3 ft.	1.25		
“	Fuscata. Small cream-colored, fragrant flowers	“ 2—2½ ft.	1.25		
“	(See Deciduous Trees and Shrubs, page 22.)				

MAHONIA

Mahonia	aquifolia. Yellow flowers in clusters.....	balled 1—1½ ft.	50	4.00	
“	Californica. Yellow flowers in clusters.....	“ 2 ft.	60		
“	Japonica	“ 1—1½ ft.	50		

MELALEUCA

Particularly hardy and useful shelter plants; very ornamental, and some of them handsome flowering; also capital plants for the sea coast.

Melaleuca	Alba.....	in pots 2½—3 ft.	35	3.50	30.00
“	“	“ 1—1½ ft.	25	3.00	
“	Lineata	“ 1—1½ ft.	25	2.50	25.00

METROCEDRUS (Callistemon).

Ornamental shrubs with scarlet, bottle, brush-like flowers; very hardy.

Metrocedrus	semperflorens.....	in pots 2—3 ft.	35	3.50	30.00
Muhlenbeckia.	See Climbers, p. 26.)				
Musa	Ensete (Banana).....	“ 2½—3 ft.	1.00		
“	“ “	“ 1½—2 ft.	60		

MYRTUS (Myrtle)

	Size	Each	Doz.	100
Useful evergreen flowering shrubs; particularly hardy.				
Myrtus Communis Microphylla, small leaved.....	in pots 10—12 in.	\$0.20	\$2.00	
“ Communis Microphylla, small leaved.....	“ 1—1½ ft.	25	2.50	
“ Communis Microphylla, small leaved.....	“ 2—2½ ft.	35	4.00	
“ Communis Macrophylla, large leaved.....	“ 10—12 in.	20	2.00	
“ Communis Macrophylla, large leaved.....	“ 1—1½ ft.	25		
“ Communis Romanus....	“ 1—1½ ft.	25		
“ Communis Compacta (German)	“ 8—10 in.	25	3.00	

NANDINA

Nandina Domestica. A fine shrub with clusters of pretty and graceful foliage.....	balled 1½—2 ft.	1.00		
---	-----------------	------	--	--

OLEA

Olea Fragans. Fine ornamental shrub with white, fragrant flowers	in pots 2—3 ft.	75		
--	-----------------	----	--	--

OLEANDER

Well known flowering shrubs, with tulip-shaped flowers; well adapted to the climate in California, and should have a place in every garden.

Oleander, double pink.....	in pots 1—1½ ft.	25	2.50	
“ “ white	“ 1½—2 ft.	25	2.50	
“ single “	“ 1½—2 ft.	25	2.50	
Olives. The true Olive tree.....	“ 2 ft.	25	2.50	

OSMANTHUS (Japan Holly)

Osmanthus Illicifolia.....	balled 2—2½ ft.	75	6.50	
“ “ Variegata....	“ 2—2½ ft.	1.00		
“ ligustifolia	“ 2—2½ ft.	75		
“ latifolia	in pots 1½—2 ft.	50		

PEPPERTREE

This is one of the most ornamental and hardy trees; will stand all weathers, grows quickly and seems at home in any soil; suitable for street or avenue planting.

Peppertree (Chinus Mollis).....	in pots 1½—2 ft.	20	2.00	18.00
“ “ “	“ 2—3 ft.	30	3.00	25.00
“ “ “	“ 3—4 ft.	50	6.00	

PHORMIUM

Phormium tenax (New Zealand Flax)	balled 3—4 ft.	1.00		
“ tenax (New Zealand Flax)	“ 4—5 ft.	1.25		
“ tenax folia variegata..	“ 3—4 ft.	1.00		

PITTIOSPORUM

These are without doubt amongst the foremost of our hardy evergreens, making a beautiful hedge, when regularly clipped will form a complete wall of cheerful looking green foliage, also makes excellent single shrubs.	Size	Each	Doz.	100
Pittosporum crassifolia pot or balled	4—5 ft.	\$0.50	\$5.00	
“ eugeniodes “	2—2½ ft.	35	3.00	29.00
“ “ “	3—4 ft.	50	4.00	
“ “ in pots	1 ft.	20		
“ new hybrid “	4—5 ft.	75	7.00	
“ “ balled	2—2½ ft.	40		
“ tenuifolia “	2—3 ft.	30	3.00	24.00
“ “ “	3—4 ft.	40	4.00	35.00
“ “ “	4—5 ft.	75	7.00	
“ “ “	5—6 ft.	1.25		
“ “ “	6—8 ft.	2.50		
“ “ in pots	2 ft.	25	2.50	
“ tobira balled	1½—2 ft.	50	4.50	
“ variegata “	1½ ft.	40	4.00	

PLUMBAGO

Plumbago capensis , blue (the lead plant) in pots	1—2 ft.	25	2.50	20.00
“ capensis , white (the lead plant) “	1—2 ft.	25	2.50	20.00

POLYGALA

Polygala dalmancina . Beautiful pea-shaped flowering shrub, very hardy and prolific in pots	1½—2 ft.	30	3.00	
Raphiolepis ovata . Ornamental evergreen shrub, fragrant white flowers. balled	1—1½ ft.	35	3.50	
Solanum . (See Climbers, page 27.)				
Swansonia . (See Climbers, page 27.)				
Tasconia . (See Climbers, page 28.)				
Tecoma . (See Climbers, page 28.)				
Ternstroemia japonica . Valuable for beauty of foliage in pots	2½—3 ft.	1.00		
Teucrium germander . White foliage with lavender purple flowers “	3—4 ft.	30		

VACCINIUM (Huckleberry)

Vaccinium . Huckleberry in pots	1 ft.	25		
--	-------	----	--	--

VERONICA

Exquisite little shrubs, all worth growing, and some very handsome.

Veronica Alba balled	2 ft.	30		
“ Andersonii , purple “	1½—2 ft.	30	3.00	
“ Gloire de Lyon “	1½—2 ft.	25	2.50	
“ “ “	2—3 ft.	30	3.00	
“ “ “	3—4 ft.	45	4.50

ROSES

The plants offered are all strong and vigorous, having strong roots, and have been grown in the open ground for two years. They average in heights from 18 inches to 3 feet, and will be furnished from November 1, 1910, until about the middle of March, 1911, from the open ground, and from pots all summer.

NEW AND SCARCE VARIETIES

Price 35c Each

Bessie Brown (Hybrid Tea)—Color pure white, sometimes faintly flushed pink; flowers large and of a shell shape.	Frau Karl Druschki (Hybrid P.)—Pure white, long pointed buds; large full flowers; free and constant bloomer.
Climbing Mad. Caroline Testant (Hybrid Tea)—A most wonderful Rose, an exact counterpart of that grand Rose Mad. Caroline Testant, except that it is a vigorous climber; bright clear pink in color.	Gen. McArthur (Hybrid Tea)—Color the most brilliant shade of crimson, retaining its brilliancy when fully expanded; very sweet and easy to grow.
Climbing Papa Gontier —This new climbing rose is a sport of the well-known Tea Rose. Papa Gontier is a strong climber and is covered the whole season with the most elegant and fine fiery red crimson flower of a long pointed form, borne on long, stiff stem. The foliage is large and leathery and of great substance. Two-year-old plants.	Killarney (Hybrid Tea)—Flesh shaded white flushed pale pink; very free, fine form and of good substance. Extra.
	Liberty —Crimson scarlet, very striking; one of the best roses of recent introduction.
	Kaiserin Aug. Victoria —Hardy grower; pure white flowers.
	Mad. Caroline Testant —High climbing.

TEA OR EVER BLOOMING ROSES

Price, 25 cents each; \$2.50 per dozen.

The most refined, and a class comprising the most of the everblooming roses. They are highly prized and admired for their delicious fragrance and the exquisitely beautiful forms and colors of their flowers. In color they embrace all shades from the purest white to the brightest crimson, and from light straw to rich orange. The climate of California being peculiarly adapted to Roses, this family here revels in luxurious growth and bloom.

- Admiral Dewey**—Delicate daybreak blush; clear and distinct; flowers of perfect form and very fragrant.
- Bride**—White tinged with yellow; beautiful in bud.
- Bridesmaid**—Bright pink, fine and full.
- Catherine Mermet**—Salmon rose; one of the best.
- Comtesse de Frigneuce**—Canary yellow; large and full.
- Countess Eva Starkenberg**—Long bud and fine double flower of great beauty; color creamy yellow, shading to ochre at center, and the borders of the petals touched with rose.
- Dr. Grill**—Light rose, with coppery yellow center; beautiful in bud.
- Duchess de Brabant**—Rosy flesh, globular form; one of the best.
- Enchantress**—Large double flowers in immense clusters; color creamy white, slightly tinted with buff at center.
- Francisca Kruger**—Coppery yellow shaded with peach; fine.
- General de Tartar**—Dark rose color, large and full; free blooming.
- Golden Gate**—Rich creamy white, shaded amber yellow and satin pink; one of the best.
- Grace Darling**—Porcelain rose, shaded with crimson; large and free.
- Isabella Sprunt**—Light yellow, free bloomer.
- Ivory, The**—White Golden Gate.
- Krownprincess Augusta Victoria**—(White Sou. de la Malmaison)—Pure white of a fine form; very free blooming.
- Mad. de Watterville**—White shaded salmon and bordered bright rose.
- Mad. Falcot**—Yellow buff deepened to orange; one of the best old roses.
- Mad. Hoste**—Bright clear yellow; very large full and perfect in shape; fine.
- Mad. Joseph Schwartz**—White tinged with flesh; cup-shaped flower.
- Mad. Lambert**—Rosy Bronze, tinged with salmon and buff, shaded crimson; very beautiful.
- Mad. S. Cochet**—Canary yellow shaded with white and edged with rose; very beautiful and free in growth and bloom.
- Mad. Welche**—Pale canary yellow with dark orange center; long pointed bud.
- Marie van Houtte**—Color light lemon-yellow with a distinct line of pink, changing to deep red; beautiful.
- Papa Gontier**—Rosy crimson; buds of extra large size; one of the best roses for the garden. Price 25 cts.
- Pearle des Jardin**—Flower deep canary yellow, of great substance, and one of the best. Price 25 cts.
- Princess Hohenzollern**—Bright rosy red; very free both in growth and bloom; fine.
- Rainbow**—Lovely pink colors, streaked with crimson; the best striped rose in cultivation.
- Rainbow Improved**—Resembles the former except that the crimson is more distinct, being more profusely spotted and penciled; extra.
- Rubens**—Pale rose shaded pure white to outer end of petal; large full rose.
- Safrano**—The oldest "Tea Rose" in cultivation, but one of the best; buff color, shaded apricot.
- Snowflake**—Pure white, strong grower and a very good bloomer. Price 25 cents.
- Sappo**—Bud fawn color, suffuse with rose; the open flowers are yellow and tawny buff, center deep bright yellow.
- Sou de Jean Carband**—Color superb; outer petals coppery yellow; center apricot and crimson; flowers extra large and full.
- Sou de la Malmaison**—Pale flesh; a large full rose; one of the best. Price 25 cents.
- Shirley Hibbert**—Rich nankeen yellow. Price 25 cents.
- Sunrise**—Outer petals reddish carmine shading to delicate fawn, and pale salmon within; the open blossom of pleasing yellow. Price 25 cents.
- Sunset**—Color beautiful orange tinted saffron; a fine rose of great merit.
- Triumphe de Luxembourg**—Rosy blush on a copper ground. Price 25 cents.

HYBRID ROSES

This popular class combines the vigor of the Garden Rose with the frequent blooming qualities of the several other classes, blooming here from early Spring until late in Autumn.

- Adrienne Duviver**—Dark velvety crimson, full and fragrant. Price 25 cents.
- Alfred Colomb**—Carmine crimson, large and full. Price 25 cents.
- American Beauty**—Rosy crimson, shaded scarlet. Price 25 cents.
- Baroness Rothschild**—Pale delicate rose, shaded with white; large and fine.
- Captain Christy**—Delicate flesh color, deeper in the center; very large; a good free bloomer.
- Captain Haywards**—Dazzling crimson; very free bloomer.
- Clio**—Flesh color shaded with rosy pink; flowers very large, of fine globular form and freely produced; plants of vigorous growth and have large handsome foliage.
- Duke of Edinburgh**—Dark red; one of the best.
- Emperor of Morocco**—Deep velvety maroon; distinct and beautiful.
- Empress of India**—Dark crimson, sweet and full.
- Fisher Holmes**—Brilliant crimson; the improved "Jacqueminot."
- General Jacqueminot**—Rich, velvety crimson, changing to scarlet.
- Giant des Battles**—A fine, rich, red Rose.
- Gloire Lyonnaise**—A grand rose; color a creamy white with chamois or salmon yellow center; very fragrant and free blooming; one of the best.
- Gloire de Margottin**—Dazzling red, large and full; very fragrant; a strong grower, can be used as a climber.
- Gruss an Teplitz**—It is a fine perfect sheet of rich crimson all summer; it is the richest, velvety crimson, shaded with brightest scarlet.
- Henry M. Stanley**—The color is a rare shade of amber rose, delicately tinged with apricot-yellow toward the center. The flowers are of good substance, extra large, finely formed and very full and fragrant.
- Her Majesty**—Bright pink shaded rosy salmon.
- Mabel Morrison**—White flushed with pink.
- Mad. Chas. Wood**—Brilliant red; free blooming.
- Magna Charta**—Bright pink suffused with carmine.
- Margaret Dickson**—White with pale flesh center; a grand rose.
- Marchioness of Londonderry**—Ivory-white; very large.
- Mrs. Cleveland**—Rich striking velvety red; large and fine.
- Mrs. John Laing**—Soft pink; large, finely shaped flower.
- Mrs. John McLaren (John McLaren)**—A sport from the well-known rose Magna Charta, with all the good habit of the same, but the flowers are of a lovely silvery pink.
- Napoleon III**—Brilliant vermilion crimson; strong growing.
- Paul Neyron**—Dark rose of large size.
- Reine Marie Pio**—Deep rose carmine, large and full. Price 25 cents.
- Robt. Scott**—Clear rosy pink, shading to flesh on outer petals; beautiful.
- Soleil d'Or**—Large globular flowers varying in color from gold and orange to reddish gold, shaded with nasturtium red.
- Ulrich Brunner**—Bright cerise red; flowers large and full of a globular form.
- Xavier Olibo**—Deep crimson; large and full.

HYBRID TEA ROSES

This family of roses is remarkable for their continuous blooming qualities, as well as for their exquisite perfume.

- Antone Revoire**—Color rosy flesh on a yellow ground, shaded with a border of carmine; flowers of an immense size and plants of vigorous growth.
- Aurora**—A very fine new rose; color bright pink.
- Belle Siebrecht**—Solid pink of the richest shade.

California—A California seedling; its color is rosy crimson shaded with lovely pink; strong and healthy foliage.

Duchess of Albany, or Red La France—Deep solid pink not shaded.

Helen Gould (or Baldwin)—An excellent variety, with large full flowers, of fine form, the color is a warm rosy-crimson; a very free bloomer.

Jubilee—A fine dark red, hardy rose, pure red in its deepest tone, shading to deep crimson red, and velvety maroon-red in the depths of the petals.

La France—Deep silvery rose, large and full; very fragrant.

La France of '89—Strong and healthy growth; color of flowers is a dark rose shaded crimson.

La Tosca—Color very light pink, almost white; strong grower. Price 25 cents.

Mad. Abel Chatenay—Flowers large and full, petals recurved and a beautiful creamy rose shaded vermilion and salmon.

Mad. Isaac Perriere—Most beautiful both in bud and flower; color deep solid rose; the bud is long and pointed and the flowers large and full; a strong grower.

Meteor—Velvety, deep glowing crimson; very double.

Sou du Pres. Carnot—This is a superb new rose in every way; the flowers are large, full and double, exquisitely shaped and with heavy thick and shell-like petals; color a new delicate rosy blush shaded deeper to the center of the flower; long, pointed buds.

Sou de Wooton—Bright crimson and very fragrant; flowers extra large and full.

Striped La France (Mad. A. Veysset)—Identical with its parent "La France" except of much stronger growth and the flowers are striped and shaded with white.

Viscountess of Folkstone—Delicately tinted flesh, almost white, lustrous as satin.

White La France—Pearly white and sometimes tinted with fawn.

CLIMBING ROSES

Climbing or Pillar Roses are now in great variety, and as with other families of Roses, new colors and improved habits have been introduced, so that from pure white to crimson may be procured for covering pillars, trellises, trees, buildings, etc.

Beauty of Europe—Golden yellow shading apricot; large and full flowers; one of the best.

Banksia Yellow—Small flower of canary yellow color.

Cherokee—Double.

Cherokee—Single, pure white, cup-shaped.

Climbing Bridesmaid—A strong, rapid growing and free bloomer; clear, dark pink; a superb variety.

Climbing Kaiserin (Mrs. Robert Perry)—A strong, rapid climber without a weak spot, and throwing up shoots 10 to 15 feet high in a single season; the flowers are grand, of pure white color and of great substance, and are produced on long, stiff stems.

Climbing Captain Christy—Fleshy pink shading towards white.

Climbing La France—Somewhat darker in color than the "La France."

Climbing Malmaison—This is identical with the old "Malmaison" ex-

cept that it is a vigorous climber; its color is pale flesh; very large and full.

Climbing Meteor—The brightest color of all climbing roses; its flowers are much larger than "Meteor" and are richer in color.

Climbing Nephitis—Flowers very large; buds long and pointed; color purest white; plants of strong, vigorous growth.

Climbing Wooton—This is a sport of that famous rose "Sou de Wooton" and is identical with it, except that it is a strong climber; the flowers are large, full and regular, with thick, leathery petals, and are bright magenta-red, passing to violet crimson. Price 25 cents.

Cloth of Gold (Chromatella)—Yellow, large and very double; one of the best. Price 25 cents.

Gloire de Dijon—Apricot tinted yellow and salmon; a grand Rose.

Gold of Ophir—Salmon and fawn shaded with copper.
La Marque—Pure white; it is the best white climbing Rose.
Mad. Alfred Carriere—Pure white; extra large and full flowered.
Mad. Schmidt—A very strong-growing, climbing rose; color dark orange-yellow; very large and full; one of the best.
Mad. Wagram (Climbing Paul Neyron.) This is a grand new Rose, and excels any rose in size and in its bright, fresh, pink color.
Marshal Neil—Beautiful deep yellow; full and globular.
Mathilde—Color dark rose; flower very full and sweet, and one of the best climbers; free blooming.
Princess Stephany—Salmon shaded orange-yellow; large and full flower and very free blooming.
Red Marshal Neil—A very desirable rose, strong, healthy in growth, with large foliage; the flowers are large and fine form, of a brilliant crimson scarlet color.

Reeve de Ore—(Climbing Safrano)—Buff apricot-yellow; very free blooming.
Reine Olga de Wurtemberg—Bright red; lovely in bud; very strong growing, with handsome foliage.
San Rafael (Beauty of Glazenwood)—Color nankeen-yellow suffused with salmon changing to yellow.
Triumphe of Bordeaux—Color a satin-rose; bud and flower of a magnificent form; one of the best.
True Friend (Climbing Cecil Brunner.) New. This is a sport of that famous rose "Cecil Brunner," and is identical with it except that it is a strong climber, throwing up shoots 10 to 12 feet high in a single season. The flowers are very fragrant and of a lovely salmon-pink with dark center, and are produced in great abundance all the season.
Wm. Allen Richardson—Deep yellow; one of the favorite climbing roses.

RAMBLER ROSES

Price 25c Each.

Alister Stella Gray—Light yellow.
Aglair (Yellow Rambler)—The color is a decided yellow.
Baby Rambler (Mdm. N. Levavasseur)—Dwarf, ever-blooming crimson rambler; flowers in large clusters of bright crimson.
Crimson Rambler—Dark crimson.

Pink Rambler—A sport from the Crimson Rambler, which is identical with its parent; color light salmon-rose, shaded with pink.

POLYANTHA ROSES

Price 25c Each.

Cecil Brunner—Charming variety; salmon-pink with dark center.
 Price 25c Each.
Pearle d'Or—Nankeen-yellow with orange center; very beautiful.

BENGAL ROSES

Price 25c Each.

Archduke Charles—Carmine rose, changing to silvery rose and white.
Hermosa—An old favorite; blooms always in pleasing shade of pink.

Cupe de Hebe—Cup-shaped flower of a lovely pink; very fragrant and sweet.

WICHURIANA ROSES

Rosa Wichuriana (The Memorial Rose)—The flowers are produced in lavish profusion in clusters; color single, pure white with golden yellow. Price 25 cents.

SWEET BRIAR

Scotch Sweet Briar Rose—Very fragrant. Price 25 cents.

MOSS

Green Oregon Moss.....\$5.50 per 100 pounds

PEAT

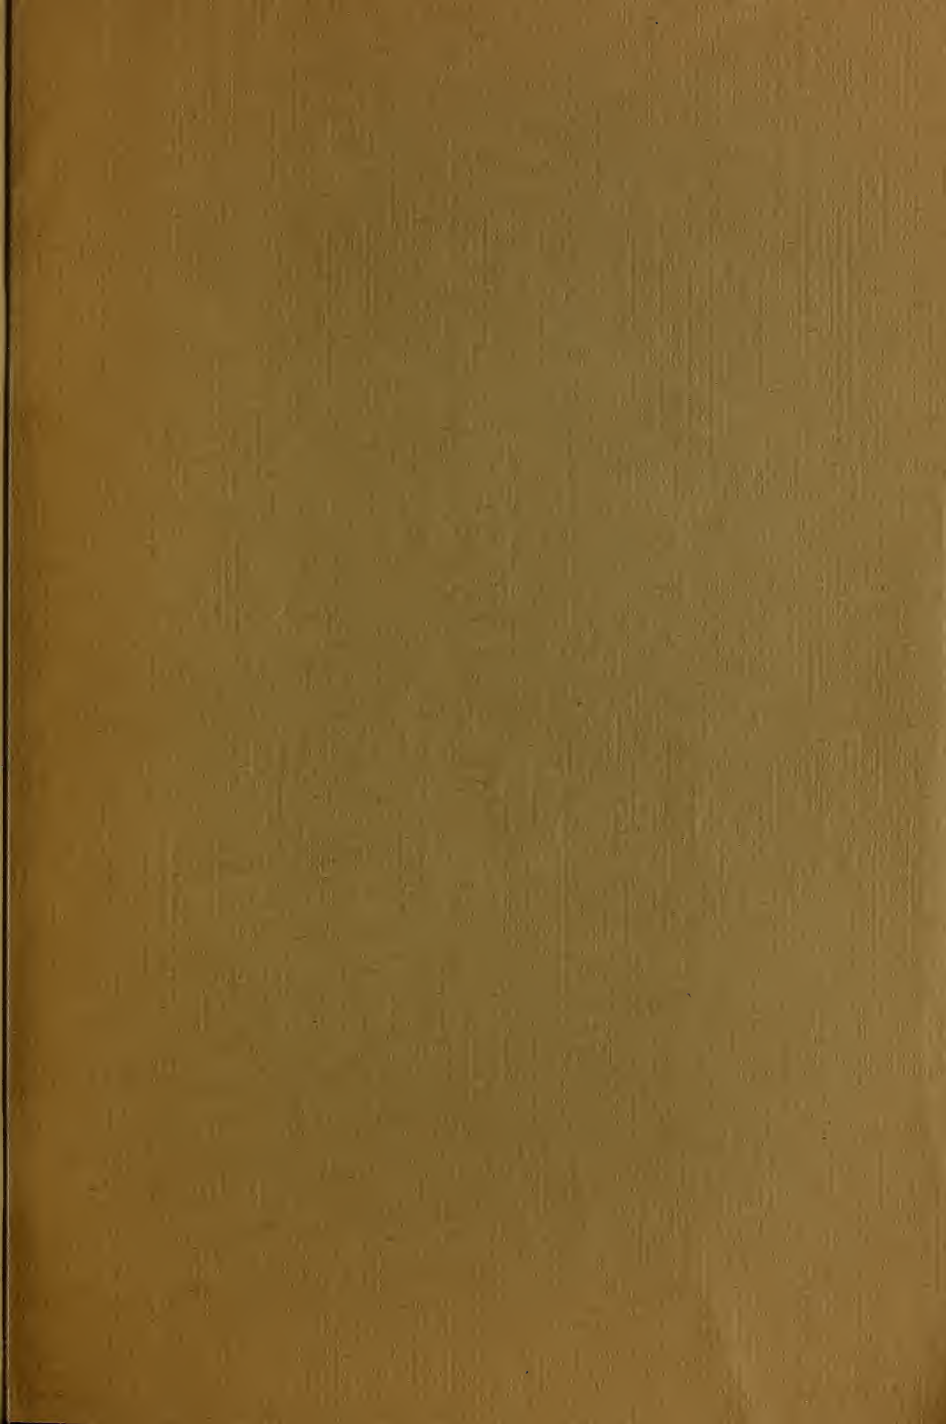

Imported from Europe.....Per bale, about 200 to 230 pounds each, \$4.50

FUMIGATION

¶ All stock of Trees, Shrubs, Roses, Etc., when dug are fumigated with Hydrocyanic Acid Gas, this positively kills all insects which may be thereon, without injury to plants ∴ ∴ ∴

¶ San Francisco County has no Horticultural Inspector, therefore I am unable to furnish certificate of inspection with shipments of plants ∴ ∴
